PRIVATE ALTERNATIVES:

Are any of the services which are performed by the agency also performed in the private sector in Oklahoma? In other states? Has the agency been approached by any foundation, for-profit or not-for-profit corporation with efforts to privatize some of the functions of the agency?

With the exception of private individuals, who do not represent the Governor but serve as members on the same entities and organizations, similar services are not provided in the private sector. Other states also have representatives on the Interstate Oil and Gas Compact Commission, but they serve a different constituency. The agency has not been approached by any foundation, for-profit, or not-for-profit corporation with efforts to privatize agency functions.
